

# Hansen Dalmasse Johnson

hansen.johnson@dal.ca • 1 (902) 494-2830  
Oceanography Department, Dalhousie University  
1355 Oxford St, Halifax NS, Canada, B3H4R2

## Education

---

- May 2015 to Present     **Dalhousie University**, PhD\* Student in Biological Oceanography  
**Woods Hole Oceanographic Institution**, Guest student in Biology  
*Advisers: Chris Taggart (Dal) and Mark Baumgartner (WHOI)*  
Anticipated graduation: May 2020  
\*transferred from the MSc program in Sep 2016
- Aug 2009 to Jun 2013     **Bates College**, BSc in Biology with minor in Music  
Thesis Title: “Diversity and characterization of songs in the Bering-Chukchi-Beaufort population of bowhead whales (*Balaena mysticetus*) during their annual spring migration, 2011”  
*Advisers: Will Ambrose (Bates) and Kate Stafford (University of Washington)*
- Aug 2011 to Dec 2011     **Marine Biological Laboratory**, Semester in Environmental Science  
Project Title: “Resource limitation affects productivity and heterocyst formation in nitrogen fixing cyanobacteria”  
*Advisers: Zoe Cardon and Ed Rastetter*

## Research Experience

---

- Apr - June 2014     **Research Assistant**, Biology Department, Woods Hole Oceanographic Institution.  
Assisted with analysis of autonomous real-time marine mammal detections  
*Adviser: Mark Baumgartner*
- Jul 2013 - Aug 2014     **Fulbright Research Fellow**, Norwegian University of Science and Technology.  
Designed and implemented a study of the effect of cold on the photosynthetic ability of a suite of conifer species  
*Adviser: Richard Strimbeck*
- Apr - Sep 2013     **Research Assistant**, University of Washington Applied Physics Laboratory.  
Analyzed acoustic data from the Fram Strait to identify and compare bowhead whale vocalizations  
*Adviser: Kate Stafford*

- May - Sep 2013      **Research Assistant**, Marine Biological Laboratory and Toolik Field Station.  
Set up and maintained eddy covariance towers and conducted carbon content analysis of tundra specimens to evaluate the effects of fire on tundra ecology  
*Adviser: Adrian Rocha*
- Apr - May 2012      **Research Assistant**, Bates College Environmental Geochemistry Laboratory.  
Developed and wrote acid-digestion methods for conducting stable isotope analysis on bivalve shell samples  
*Adviser: Will Ambrose / Beverly Johnson*
- Apr - June 2011      **Marine Mammal Observer**, North Slope Borough Department of Wildlife.  
Documented the presence and behavior of bowhead whales from a sea ice observation post on the Chukchi Sea in the Alaskan arctic  
*Chief Scientist: Craig George*

---

## Academic Honors

---

- 2013      **Drake R. Bradley Award**. Given to the senior with the most promising research thesis. Bates College
- 2013      **Magna Cum Laude** (GPA: 3.88/4.0). Bates College
- 2013      **Sigma Xi Scientific Research Society**
- 2013      **Phi Beta Kappa Society**
- 2013      **Rankin Prize**. Given to the best undergraduate oral presentation. New England Estuarine Research Society (NEERS)
- 2009-13      **Dean's Honors List** (all semesters). Bates College
- 2011      **MBL Associates Award**. Given for excellence in independent research. Marine Biological Laboratory
- 2010      **Dana Scholar**. Given for academic excellence and promise, leadership potential, and service to the college and the community. Bates College

## Scholarships / Fellowships

---

### *Current*

- 2017-20 Vanier Canada Graduate Scholarship
- 2017-19 Killam Predoctoral Scholarship, Doctoral level
- 2017-19 Dalhousie President's Award
- 2016-20 NS Graduate Scholarship, Doctoral level

### *Past*

- 2015-17 Killam Predoctoral Scholarship, Master's Level
- 2015-17 NS Graduate Scholarship, Master's Level
- 2015-16 FGS Master of Science Scholarship
- 2013-14 Fulbright Fellowship Grantee to Norway.
- 2011 NSF Research Experience for Undergraduates (REU) Grantee

## Grants Awarded

---

1. **Title:** "Measuring the acoustic detection range of large whales from an ocean glider to improve an acoustic whale alert system for use by the offshore marine industry in Atlantic Canada."  
**Agency:** Offshore Energy Research Association (OERA)  
**Principle Investigators:** HD Johnson, MF Baumgartner, CT Taggart  
**Amount:** \$20,000 CAD

## Other Awards

---

2. **Title of Award:** "MEOPeer Researcher Development, 2017"  
**Agency:** Marine Environmental Prediction and Response Network (MEOPAR)  
**Description:** Support for participation in Slocum Glider Pilot training in North Falmouth, MA, USA.  
**Amount:** \$2500 CAD
1. **Title of Award:** "MEOPeer Researcher Development, 2015"  
**Agency:** Marine Environmental Prediction and Response Network (MEOPAR)  
**Description:** Support for travel to and participation in workshops focused on passive acoustic density estimation of marine mammals in San Francisco, CA, USA.  
**Amount:** \$2100 CAD

## Refereed Publications

---

### *In Preparation:*

7. **Johnson HD**, Baumgartner MF, Davies KTA, Taggart CT. North Atlantic right whale foraging and habitat in the southern Gulf of St Lawrence.
6. **Johnson HD**, Baumgartner MF, Lin YT, Barclay D, Newhall A, Zitterbart D, Taggart CT. Calibrated passive acoustic monitoring: probability of baleen whale acoustic detection as a function of platform, species, and environment.

5. **Johnson HD**, Baumgartner MF, Davies KTA, Fox C, Taggart CT. Using ocean gliders to evaluate the partitioning of a shallow coastal basin habitat by baleen whales in the Northwest Atlantic.
4. Fox C, Davies KTA, **Johnson HD**, Baumgartner MF, Howatt T. Right whale species distribution and habitat modeling in Roseway Basin using autonomous gliders in 2015.

*Submitted:*

3. Durette-Morin D, Davies KTA, Brown M, **Johnson HD**, Moors-Murphy H, Martin B, Taggart CT. Comparison of visual and acoustic monitoring of North Atlantic right whale and implications for future passive acoustic monitoring. *Marine Mammal Science* (*submitted 28 Aug 2017*)

*Published:*

2. Plabon C, Hennet L, Strimbeck R, **Johnson HD**, Armbruster WS (2015) Blossom colour change after pollination provides carbon for developing seeds. *Functional Ecology*. (Published online 10 Mar 2015)
1. **Johnson HD**, Stafford KM, George JC, Ambrose WG, Clark CW (2014) Song sharing and diversity in the Bering-Chukchi-Beaufort population of bowhead whales (*Balaena mysticetus*), spring 2011. *Marine Mammal Science*. (Published online 30 Dec 2014).

## Conference Proceedings

---

1. Davis R, Baumgartner M, Comeau A, Cunningham D, Davies K, Furlong A, **Johnson HD**, L'Orsa S, Ross T, Taggart C, Whoriskey F (2016) Tracking whales on the Scotian Shelf using passive acoustic monitoring on ocean gliders. In *OCEANS 2016 MTS/IEEE Monterey* (pp. 1-4). IEEE.

## Non-refereed Publications

---

1. **Johnson HD** (2014) The importance of sound for bowhead whales. *Science Nordic*. Available at <http://scienordic.com/importance-sound-bowhead-whales>

## Presentations

---

20. **Johnson HD\***, Baumgartner MF, Lin Y-T, Newhall A, Taggart CT. Characterizing the range-dependent accuracy of a near real-time baleen whale monitoring system. Poster presentation at: Ocean Sciences Meeting. 12-16 Feb 2018, Portland OR, USA
19. **Johnson HD\***. Glider-based PAM: a (brief) overview. Invited speaker at the workshop: Passive Acoustic Monitoring (PAM) of Marine Mammals. 28-29 Oct 2017, Halifax NS, Canada
18. Durette-Morin D\*, Davies KTA, Moors-Murphy H, Baumgartner MF, **Johnson HD**, Brown MW, Martin B, Taggart CT. North Atlantic right whale acoustic and visual monitoring in a Canadian critical habitat: implications for future monitoring. Society of Marine Mammalogy Biennial Conference, 26 Oct 2017, Halifax NS, Canada

17. **Johnson HD\***, Baumgartner MF, Taggart CT. Using Ocean Gliders to Evaluate the Partitioning of a Shallow Coastal Basin Habitat by Baleen Whales in the Northwest Atlantic. Society of Marine Mammology Biennial Conference, 26 Oct 2017, Halifax NS, Canada
16. Davies KTA\*, Baumgartner MF\*, Durette-Morin D, Gurnee J, **Johnson HD**, Taggart CT, van Parijs S. Current efforts to mitigate ship strikes using real-time acoustic monitoring from autonomous platforms. North Atlantic Right Whale Consortium, 22 Oct 2017, Halifax NS, Canada
15. **Johnson HD\***, Davies KTA, Baumgartner MF, Taggart CT. Right whale acoustic presence and habitat in Atlantic Canada using ocean gliders. North Atlantic Right Whale Consortium, 02 Nov 2016, New Bedford MA, USA
14. Durette-Morin D, Davies KTA, **Johnson HD**, Brown M, Moors-Murphy H, Taggart CT. Temporal Variation in Right Whale (*Eubalaena glacialis*) Population Indices and Vocalizations Measured Concurrently in Roseway Basin. North Atlantic Right Whale Consortium, 02 Nov 2016, New Bedford MA, USA
13. **Johnson HD\***, Davies KTA, Baumgartner MF, Taggart CT. Variation in baleen whale distribution and habitat on the Scotian Shelf. Conference of Dalhousie Oceanography Graduate Students (CDOGS), 18 Mar 2016, Halifax NS
12. **Johnson HD\***. Variation in baleen whale distribution and habitat on the Scotian Shelf. Participant in Three Minute Thesis competition, 11 Mar 2016, Halifax NS
11. **Johnson HD\***. MEOPAR-WHaLE: Using an app to reduce risk to whales. Invited seminar at: MEOPEER Training Meeting, 4 Feb 2016, Banff AB
10. Durette-Morin D\*, Davies KTA, **Johnson HD**. Is what we see what we hear? Temporal variation in right whale population indices and vocalizations measured concurrently in Roseway Basin. Poster presentation at: Cameron Conference, 9 Jan 2016, Halifax NS
9. Moors-Murphy HB\*, Martin B, Lawson J, Taggart CT, and **Johnson HD**. A Large-Scale Network of Bottom-Mounted Autonomous Acoustic Recorders is Providing New Data to Assess Cetacean Occurrence, and Understand Their Acoustic Environment, off Eastern Canada. Oral presentation at: North Atlantic Right Whale Consortium, 5 Nov 2015. New Bedford MA
8. **Johnson HD\***, Baumgartner MF, Davies KTA, Taggart CT. Real-time reporting of baleen whale vocalizations: a new tool for conservation. Oral presentation at: Sustainable Oceans Conference, 02 Oct 2015, Halifax NS
7. **Johnson HD\***, Baumgartner MF, Davies KTA, Taggart CT. Real-time monitoring of baleen whale distribution and habitat on the Scotian Shelf. Poster presentation at: Ocean Technology Council of Nova Scotia Student Networking Event. 10 Jun 2015, Halifax NS
6. **Johnson HD\***. Whales, Habitat and Listening (WHaLE) Project. Participant in Three Minute Thesis competition, 09 Apr 2015, Halifax NS
5. **Johnson HD\***, Stafford KM, George JC, Ambrose WG, Clark CW. Song sharing and diversity in the Bering-Chukchi-Beaufort population of bowhead whales (*Balaena mysticetus*), spring 2011. Poster presentation at: Watkins Memorial Marine Mammal Bioacoustics Symposium, 27 Mar 2015, New Bedford MA

4. **Johnson HD\***, Strimbeck GR. Wintertime photosynthesis in conifers. Oral presentation at: Norwegian Fulbright Seminar, Feb 2014 Oslo, Norway
3. **Johnson HD\***, Ambrose WG, Johnson BJ, Beal BF. Using stable isotopes to determine feeding preferences of the Wrymouth (*Cryptacanthodes maculatus*) in soft-sediment systems of coastal Maine. Award-winning oral presentation at: New England Estuarine Research Society Spring Meeting, Apr 2013, Plymouth MA
2. **Johnson HD\***, Rocha AV. Using reflectance to monitor the recovery of tundra vegetation following wildfire. Oral presentation at: Research for Undergraduates Symposium, Aug 2012, Toolik Field Station, AK
1. **Johnson HD\***, Cardon ZG, Rastetter EB. Resource limitation affects productivity and heterocyst formation in nitrogen-fixing cyanobacteria. Award-winning oral presentation at: Semester in Environmental Science Symposium, Dec 2011 Woods Hole MA

\*Presenter

## Academic Involvement

---

2017	Member of the Student Affairs Committee for the Society of Marine Mammology
2015-Present	Student Member of the Society of Marine Mammology
2016-Present	Co-organizer of Methods in Ten Minutes (MTM) seminar series at Dalhousie University
2015-2016	Vice president of the Department of Oceanography Student Association (DOSA) at Dalhousie University

## Teaching

---

### Students

2015-2016	<b>Delphine Durette-Morin.</b> Co-adviser on BSc Honours project entitled: "Is what we see what we hear? Temporal variation in right whale population indices and vocalizations measured concurrently in Roseway Basin."
-----------	--

### Experience

Winter 2017	Teaching Assistant for Fisheries Oceanography
Fall 2016	Teaching Assistant for Tools and Concepts in Ocean Sciences

## Training and Workshops

---

- Introduction to zooplankton identification, Halifax, NS, Canada (1 day training)
- Slocum glider pilot training with Teledyne Webb Research in North Falmouth, MA, USA (4 day course)
- SEABASS Bioacoustics Summer School, Syracuse University (5 day course)

- Ships and Whales Workshop: Using AIS and Acoustics to Evaluate Exposure and Risk (2 day workshop; MEOPAR-affiliated passive acoustics researchers)
- MEOPeer Training Workshop (4 day workshop; MEOPAR)
- Introduction to passive acoustic monitoring of vessels (4 day course; Canadian Navy)
- Introduction to Density Estimation (1 day workshop; St Andrews researchers at the 2015 Society of Marine Mammology Biennial Conference)
- Analysis of Passive Acoustic Data Using Panguard (1 day workshop; Biowaves researchers at the 2015 Society of Marine Mammology Biennial Conference)
- The low frequency detection and classification system (LFDCS) and digital acoustic monitoring (DMON) hydrophone (1 day workshop; Mark Baumgartner at the Woods Hole Oceanographic Institution)
- SV2 Wave Glider systems operator training (4 day course; Liquid Robotics)

## Sea time

Date	Description	Days
September 2017	Multiple vessels: wave glider deployment/recovery with OTN	2
July-August 2017	R/V Shelagh: Right whale visual/acoustic surveys and zooplankton sampling in the Gulf of St Lawrence	20
June 2017	NOAA Twin Otter [airplane]: sonobuoy deployment in Gulf of St Lawrence	1
May 2017	CCGV Peddle: [attempted] acoustic mooring recovery in Roseway Basin	3
Feb - Apr 2017	R/V Tioga: hydrophone array and Slocum glider deployment/recoveries as well as zooplankton sampling	5
Jul - Sep 2016	Multiple vessels: Slocum and wave glider deployments/recoveries with OTN	5
Apr - May 2016	R/V Gordon Gunter: NOAA Right Whale Survey in the Gulf of Maine	19
Apr 2016	R/V Tioga: wave glider test deployments in Cape Cod Bay	1
Dec 2015	CCGV McLaren: acoustic mooring recovery in Roseway Basin	4
Jun - Sep 2015	Multiple vessels: Slocum and wave glider deployments/recoveries with OTN	10
Jun 2015	CCGV Peddle: acoustic mooring deployment in Roseway Basin	1
Apr - May 2015	R/V Gordon Gunter: NOAA Right Whale Survey in the Gulf of Maine	21
Apr 2015	R/V Tioga: wave glider deployment south of Cape Cod	1

**Total:** 111 days

## Media Coverage

---

- Guest on the Sheldon MacLeod Show on Halifax News 95.7 (radio), 13 Jul 2016
- Information Morning: “Teaming up with the Navy to track endangered whale” by CBC Radio, 09 Feb 2016
- The Globe and Mail: “Marine scientists to use navy techniques to study whales” by James Thomson, 25 Jan 2016
- Global National News: “Deep diving drones search for endangered right whales off east coast” by Ross Lord, 13 Aug 2015
- Land and Sea Documentary: “Right Whales” by CBC TV, 22 Nov 2015
